Environmental Consultants

...dedicated to developing simple, cost-effective solutions to today's complex environmental issues without "headaches" for our clients.

Williamsburg Environmental Group, Inc. (WEG) is a full-service environmental consulting firm that serves both the public and private sectors in providing cost-effective solutions to today's complex environmental issues.

Expertise: WEG's staff of ISA (International Society of Arboriculture) Certified arborists and forestry professionals have over 30 years of combined experience. This level of expertise allows us to tackle projects of all sizes and in support of a wide variety of arboricultural and forestry activities.

Experience: WEG's forestry personnel have worked for state and local regulatory agencies, as well as in the private sector. This range of experience provides us with a thorough knowledge of the level of interaction, inspection, planning, and reporting that agencies require in order to successfully obtain permits and approvals.
